CERTIFICATE OF LIABILITY ACCEPTANCE

REPLACEMENT, COMMISSIONING & OVERRIDE KEYS

Dear Valued Customer,

It is the responsibility of the purchasing company and/or end-user to apply administrative controls for the proper issuance and use of Replacement, Commissioning and/or Override keys for their intended purpose.

Within accepting the order acknowledgement and subsequent equipment delivery you are agreeing to and in acceptance of all liability and responsibility for any event resulting in death, injury, equipment or property damage or line down situations associated with your and/or any third party's misuse or unintended use, installation, repair, modification, or any other act or omission relating to duplicate keys provided by Kirk Key Interlock Company LLC, or Castell Safety International and agree to defend, indemnify and hold harmless Kirk Key Interlock Company LLC and Castell Safety International from all claims, demands, and lawsuits including associated fees and costs incurred in connection with the foregoing.
